Lone Star Industries, Inc.
3801 E. Marginal Way South
Seattle, Washington 98134

Attention Gary Batey, Plant Engineer

SUBJECT: STATE INDUSTRIAL WASTE DISCHARGE PERMIT APPLICATION

Gentlemen:

We enclose application forms for your use in applying for a waste discharge permit as required by State Law RCW 90.48.

Please give all information requested on the application forms and return two(2) signed copies to this office as soon as possible. Included must be a clear description of property such as section, township and range.

Should you have any questions or require assistance in completing the forms, please contact us at 885-1900.

Sincerely,

RON DEVITT
District Inspector
Environmental Quality
